TOPSEW

Automatic rib collar attaching machine TS-4UTQS-SL

TS-4UTQS-SL

Advantages

1.Main spare parts are customized by imported suppliers for better durability.
2.The rear puller ensures fabric feeds straightly and stably.
3.The operation is simple, requiring no skilled workers.
4.The auto thread tension makes thread crossing easy and reliable.
5.The cutting mechanism delivers smooth and clean results.

Product Specifications:
