

## High Speed Direct Drive Electronic Button-Sewing Machine TS-1903A

TS-1903A video

### Advantages

1. Via electrical device to fix the thread, upper stitching more stable and smooth when high speed sewing
2. Efficient and convenient to shift input or output pattern via USB connector.
3. Easy to shift from 2 eyes button to 4 eyes button sewing.
4. As a result of computer direct drive, the machine claims rapid engines start and stop.
5. Compared with machine of traditional model, it shortens the time by 35%, hence a further increase in production efficiency.
6. Suitable for trade mark on socks, buttons on woven and knit fabric garments.

### Specifications:

Machine head	Direct drive, automatic trimming
Highest sewing speed	3000rpm
Button diameter	8mm-32mm
Presser foot height	13mm
