TOPSEW

Shirt Collar and Cuff Visible Stitching Machine TS-1800

TS-1800

Advantages

1.Topstitch shirt collars & cuffs; photoelectric sensor auto-detects stitch width.
2.Capacitive touch screen with self-developed interface.
3.High-efficiency: auto-sewing & auto-turning.
4.Auto-collection for automatic stacking of sewn fabrics.
5.Thread-break resume-sewing, auto-fabric stacking, less rework & time-saving.
6.One-operator dual-machine, 480 shirt collars output per hour.
7.Beginner-friendly; quick-start after simple training.

Product Specifications:

Head model	S-7300A
Maximum capacity	3200pcs /8h / 2 units
Rated power / speed	0.8Kw / 4500RPM
Sewing range	30W×190L
